*MSAA is a registered 501(c)3.*

MSAA is a community of individuals consisting of artists of all levels and abilities that gather together to encourage and support each other in artistic endeavors.

The purpose of this association is to develop and sustain a high cultural standard of art and artistic endeavors, and to promote close relationships between artists and the art loving public.

MSAA is a diverse group of artists that gather together to exchange ideas, share creativity and knowledge with each other for the benefit of the members and Yuma Art Community.

MSAA's goal is to build an organization that supports the purpose of MSAA through monthly meetings, coffee get togethers, engaging with the Yuma public through our signature events and supporting others artists in the Yuma area through our Scholarship Program.

MSAA meets monthly which offers an opportunity to connect with your fellow members, see demonstrations by other members and outside artists, and share your work during "Show and Tell".
