February 2020 Newsletter Volume 8, Issue 2

Website: www.mtnsaa.org

President's Message:

Our next meeting, February 11, occurs right before our annual art show at the Foothills Library. You may register your entries for the show at this meeting and pay your entry fees then. Please remember to wire anything that hangs on the panels appropriately-NO sawtooth hangers-paintings must have a wire! If you haven't signed up to work at the show, please do so!!

Our program will be a presentation on encaustic artwork by Mark Wall. You don't want to miss this one!

The slate of officers for the next two years are: President, Sally Rose, Vice President, Linda Willetts, Secretary, Arleen Wallace Towne, and Treasurer, Bobbi Webber. The election will be held at this meeting and new officers will take office at the March meeting.

This is my last newsletter. I want you all to know how much this group means to me! You have all taught me so much and I will miss all of you terribly. I can't emphasize enough how important I believe group association is for artists. It's place to share and to learn and to combine efforts to make good things happen! Work at keeping the club strong and vibrant and it will take you far!! Thank you for all you have done for me.

As always, bring your Show and Tell of recent art you've been working on (please limit to one item per person!!!)

Please remember that we do not have access to the large meeting room until 12:30 and we're asking that you do not show up before 12:20. If necessary, we will delay the start of the meeting until about 12:45 so everyone can log in and sit down. See you all on February 11, 12:30 PM!

Judy

Website News from Tracie McBride:

I will be creating a “Featured artist” Page on the website. I would love for all of you to be a part of this, at least 12 a year! Featured artists will be on there for one month with more detailed information than what is on your personal gallery page.

It will include things such as where you live when not living in Yuma, what your interests are, how you got started in your art medium, etc. I will include pictures that you send me of you, you working in your studio, pictures of your studio, a grouping of your art, work in progress pieces, things like this. I will put together a form of questions and suggestions for pictures to email to me that will be included on your featured artist page. It will be a year-round page on the site and help keep viewers interested in our art club. I look forward to hearing from you. Tracie McBride. mountainshadowart@gmail.com.
