### President's Message:

Here we are, already in the second month of 2021. How did time go by so quickly? I hope everyone is staying cozy and making lots of amazing art!

Though many of our opportunities to get together and share our creativity have been curtailed in the last months, we are still here and making those connections as best we can. We had our February Board meeting on my patio and our first general meeting at Sunshine Cafe was nicely attended and enjoyed! It's happening again next Tuesday and I hope to see you there. **Please note the meeting is at 1 o'clock not 12 as previously planned.**

ArTrails is fast approaching and we have the map/brochure earlier than usual. It is ready to hand out, so if you could help, that would be greatly appreciated. Pick up a stack at the meeting, Kirk Redlin's or Hidden Talents Studio. This is our one and only event this season and we are expecting a good turn-out!

I would like to thank those members who are working diligently behind the scenes to hold us together while we ride out the storm. There is an old joke about a club only being as good as the coffee and cookies they serve. I believe a club is only as good as the energy committed to it. I am so blessed to be surrounded by so many caring creatives! Thank you all so much for your dedication!

Thanks much and I will be seeing you soon!  
Sincerely, Sally Rose

### \*A note about our meeting at Sunshine Cafe:

Please do plan on making a purchase in the coffee shop, a way to support a local small business and to say thank you for the meeting space. If meeting in a group or purchasing a coffee or snack is not something you are comfortable with, please consider skipping this time around and join us again when the library opens up their meeting rooms.

### **A Message From:**

**Kirk Redlin:**

Hi Art Lovers! All is on track for a very successful Art Trails this year. It looks like we will have 22 participating Artists and 8 studio locations. The dates are March 5th and 6th. I will be sending out more information to all the participants in the coming weeks. We still need club members to pick up brochures for distribution around the valley. You can call Sally at 509-476-2160 to arrange a time to stop by and pick up a bunch. I will be interviewing with the Yuma Sun this week to get some press coverage. I also will be contacting the tv station to get an interview arranged. We also are going to promote more vigorously this year with complete newspaper coverage (10,000 subscriber coverage) with our full color insert. The Yuma Sun gave us a great quote for price and the extra coverage can't hurt! We expect a good response since we are one of the few venues not canceled. We will ask patrons to wear masks and since the event is outdoor, we don't anticipate close contact with our people.

It would also be nice to see our members visit the studios of Art Trails, we will be offering our passport program again this year, so bring it along and patronize and support our fellow artists, and have a chance to win free art offered by each studio. Last year's program gave us a good start on a mailing list to promote this years event.

So help us out and pick up some brochures they are beautifully designed by Tracie McBride, if you have any questions feel free to call me at 208 880 6609.

Thanks again for supporting Mountain Shadows Artist Association!

Kirk Redlin, Art Trails Chairman
