### President's Message:

Happy 2021, Everyone!

Here we are at the beginning of a new, hopefully improved, year! Though we are still dealing with some fall out from 2020, I hope this finds you in better spirits.

I am happy to announce that as of today we have a new venue! I spoke with Maria, owner of the Sunshine Cafe up on N. Frontage Rd and she has given us permission to hold the meeting in their outdoor event space. We will need to follow the local city guidelines, no more than 10 people at one table and everyone wearing their mask, of course, unless something changes by then. Because this is a business, no outside food or beverages are allowed.

**\*Please do plan on making a purchase in the coffee shop, a way to support a local small business and to say thank you for the meeting space.**

If meeting in a group or purchasing a coffee or snack is not something you are comfortable with, please consider skipping this time around and join us again when the library opens up their meeting rooms.

We will have show and tell, so bring something you've been working on. For the discussion side of the meeting, we will be discussing possible "silver linings". I will be asking anyone interested to stand up and talk about how you've not only coped, but improved as an artist. New paths you followed in your creative pursuits. If you've found a wonderful online class, clever storage idea or just a way to cope with the solitude, think about it and be willing to share. If you don't want to, no pressure!

I would like to thank every member that has paid their dues this season. It is your dedication that will keep our club going during this time apart! If you have not yet, they are \$30 per year and you may pay at the general meeting or contact Lynette to make arrangements.

Thanks much and I will be seeing you soon!

Sincerely, Sally Rose

## **A Message From:**

### **Kirk Redlin:**

ARTrails is a go! We have a reduced number of artists and studios, but still a wonderful and diverse selection of art being offered. With a little luck, we should have the brochures ready to hand out in time for the general meeting on the 19<sup>th</sup> of January. We will be doing the Passport and Art Giveaway again, this time the passport will be printed on the map, which should make distribution much easier. We ask that anyone who has distributed the brochure in the past, please try to attend the January meeting and pick up a stack! Thank you to all our participating artists!

### **Sally Rose:**

I want to give a huge shout out to Tracie McBride for her awesome work on our website. If you haven't checked it out lately, you are in for a real treat!

All our names are there with links to our artwork. (if we sent them to her...) **That's right, we each have our own page!**

Another shout out to Kirk Redlin and Tracie McBride for their hard work and planning for **ARTrails 2021!** They have moved heaven and earth to create a less expensive but gorgeous brochure being mindful of our fewer studios/artist participation. Their creative thinking has allowed us to still host what will be a lovely show. I'm so grateful we can continue this annual event, I know so many people look forward to it!

### **Teresa Mallet:**

Unfortunately we have had to cancel **Paint in Day** this year, as current restrictions do not allow for the size attendance we usually have. Hopefully we will be back up and running next year.

I am sorry to say that the Art Show has been canceled until the library meeting room becomes available again.
