President's Message:

Hello Everyone!

I'd like to start off by saying thank you for having the confidence in me to lead you through the next couple seasons. There is going to be a steep learning curve and I have some big shoes to fill but, with guidance and input from members, I hope to pull it off with a minimum of chaos. I am looking forward to working with our new team of officers and continuing to work with our various Committee Chairs.

We have ARTrails coming up March 6th – 8th. Kirk Redlin and Tracie McBride have put in a lot of hard work making improvements to the advertising for this event. Our hope is that extra work will be rewarded with an increase in traffic through our studios. This year we will be trying out the Art Passport Contest for the first time, so don't forget to grab one at your first stop in the tour, you might just win some art!

We had a very successful Art Show this year, thank you to Barb Thorvilson for all your hard work, Kirk Redlin for our new judging guidelines and a huge shout out to our volunteers for the phenomenal job setting up and breaking down, in record time, I might add. We could not do it without all of you! Congratulations to Mark Wall and Dawn Best for winning Best of Show and People's Choice, respectively!

We are going to be holding our club auction at the March General Meeting. So bring in any art related items you would like to sell (with 10% going to the club) or donate. I've never actually been here for the auction, so I'm looking forward to experiencing a lively bidding war!

Please remember that we do not have access to the large meeting room until 12:30. As always, bring something for Show and Tell (please limit to one item per person!!!)
