President's Message:

Hello everyone and welcome to the start of another holiday season! I'm sure many are looking forward to spending it in sunny Yuma! We have a few things coming up and some new members joining us for the first time. Welcome!

There will be a board meeting this month, followed by our general meeting. Please remember masks are still required. Linda Willets will be leading both meetings. I so appreciate her stepping up and filling in for me while I deal with my family situation.

Judy Phillips has agreed take over planning Paint-in-Day . PID has been a tradition for many years and is one of the best things about being a MSAA member. Please everyone, think about how you can contribute either as an instructor, helping or even planning this awesome event, usually hosted in mid to late January. We will need suggestions for venues as well. Our club can not be successful without our indispensable volunteers. Please consider stepping up to the plate. You'll receive plenty of advice from our past chairmen.

Kirk Redlin and Tracie McBride are already making plans for another successful Artrails, more to come on that after the holidays. Barb Thorvilson has secured the library for our annual Art Show in February.

Now, it may be my imagination, but it sure seems like the winter weather is kicking in early this year! I wonder if that means the Foothills will start filling up early as well?

Thanks much and I will be seeing you soon!
Sincerely, Sally Rose

A Message From:

Barb Thorvilson:

Art Show at the Foothills Library.
Set up is Thursday February 3rd and the show is February 4th & 5th.

Sally Rose: Holiday Art Fair

After some miscommunications and some back and forth e-mails it has become clear that there is a fee for using the library space for the fair. Judy Phillips and I have both offered our homes as an alternative venue. As some of you may recall, we did the same last year and both events were lovely and successful. Judy's event will be December 4th and mine December 11th. If you'd like to participate in either event, please contact each of us individually.

Kirk Redlin: The dates for Artrails will be March 4th and 5th 2022. Deadline for pictures in the brochure is The general meeting in December. I will be there to take pictures if needed.
